

Statement of Principle

1. Life Choices of Central Michigan (Life Choices) is an outreach ministry of Jesus Christ through His church. Therefore, Life Choices, embodied by its volunteers, is committed to presenting the gospel of our Lord to the clients and patients that we serve – both in word and in deed. Commensurate with this purpose, those who labor as Life Choices Board Members, Directors, Staff, and Volunteers are expected to know Christ as their Savior and Lord.
2. Life Choices is committed to providing its clients and patients with accurate and complete information about both prenatal development and abortion.
3. Life Choices is committed to integrity in dealing with clients and patients, earning their trust and providing promised information and services. Life Choices denounces any form of deception or coercion in its corporate advertising or individual conversations with its clients.
4. Life Choices is committed to assisting women to carry to term by providing emotional support and practical assistance. Through the provision of God's people and the community at large, women may face the future with hope, and plan constructively for themselves and their babies.
5. Life Choices does not discriminate in providing services because of race, creed, color, national origin, age or marital status of its clients or patients.
6. Life Choices does not recommend, provide or refer for abortion or abortifacients.
7. Life Choices offers assistance free of charge at all times.
8. Life Choices is committed to creating awareness within the local community of the needs of pregnant women and of the fact that abortion only compounds human need rather than resolving it.
9. Life Choices does not recommend, provide or refer single women for contraceptives. (Married women seeking contraceptive information should be urged to seek counsel, along with their husbands, from their pastor and physician).
10. Life Choices recognizes the validity of adoption as one alternative to abortion, but it is not biased toward adoption when compared to other life-saving alternatives. Life Choices is independent of adoption agencies, relating to them in the same manner as to other helpful referral sources. Life Choices does not receive payment of any kind from these agencies, does not enter into contractual relationships with them, and does not share combined office space. Adoption agencies are not established under the auspices of this organization. Life Choices neither initiates nor facilitates independent adoptions, though they may refer for independent adoptions in states where it is legal.
